TYGES vs "THEM"

We focus on...	They focus on...
INFORMATION We will be industry experts so you can make wise decisions.	SALES They concentrate on dollars instead of your well-being.
INVITATION We believe in the humanity of people & value relationships.	TRANSACTION They treat people like products.
INNOVATION We creatively work to improve our process.	IMITATION They mimic others instead of invest in innovation.
INTENTION We work with a clear sense of purpose & urgency.	PASSIVE They tend to be less proactive and more reactive.
CONNECTION We will stay connected with you.	NEXT They move on to the next placement.
